

Physician Opportunities

Adelberg Associates Medical Group provides executive/administrative services for a variety of Physicians and Specialties. We are looking to expand the availability in various office locations, including, Chico, Elk Grove, Folsom, Redding, Ripon (Modesto) area, Roseville, Sacramento, Stockton, Vacaville, Tracy, Woodland, and Yuba City. We are also open to expanding into different areas should that be of interest to you.

Adelberg Associates maintains a personal but professional environment. The availability of our onsite staff enables immediate support to our physicians and one-on-one service to our clients. This joint effort, in turn, provides unparalleled comprehensive medical-legal reports. Quality is our foundation and the key feature that has allowed us to remain in the competitive workers' compensation industry for nearly three decades.

We take pride in being a service-oriented facility. The flexible management style, which accommodates each Physician's preference, promotes physician originality and control, without the concerns of office management. Services we provide include:

- Location and appointment scheduling,
- obtaining pertinent medical records,
- transcription and product quality assurance,
- billing and submission of completed reports following DWC regulations,
- onsite collections.
 - Medical records abstracting is also available.

Working with our company, skilled and knowledgeable evaluators can take advantage of *increased compensation*, as well as complete administrative support in a facility that is able to streamline processing of reports within the strict timeframes required.
